TNS Exhibit Hall

Door Prize Drawing!

Please take time to visit our exhibitors as they help keep the cost of this meeting low for attendees. TNS will host a door prize drawing for those who visit the exhibitors.

Please note exhibiting hours:

FRIDAY 10:00 am - 5:30 pm

SATURDAY 7:00 am - 4:30 pm

Target Audience

The target audience includes board-certified and board-eligible neurologists, and neurology residents. Educational methods used will include lectures and Q&A sessions.

Objectives

The overall objectives of this course are to update and further one's knowledge, diagnosis, and treatment of various neurological disorders as well as, acquire and discuss new techniques and innovations in neurology.

Special Considerations

We do try to control the temperature in the meeting room, but for your comfort, please bring a jacket and your laptop or tablet to access the lectures using the meeting app.

Florbetapir F 18 Reader Training

Thursday, February 1st | 6:00 - 10:00 pm

Dinner will be included.

Register for training when registering for the conference.

Limited to 25 people

Certificate of completion will be given to each participant at the conclusion of the training.

Neurogenetics Workshop

Friday, February 2nd

Neurologists are constantly asked about genetic test results and the relevance to their patients, their practice, and the implementation of new therapies. This workshop will build upon the pediatric session lectures and provide all neurologists some practical knowledge and experience analyzing genetic test results. Participants are strongly encouraged to bring their laptops and their brains. Dinner Included.
