

# RESIDENT POSTER *Competition*

## TNS invites residents to participate in the Annual Poster Competition.

Prizes will be awarded for 1st, 2nd, and 3rd place in the amounts of \$1000, \$500 and \$250.

### Application Procedures & General Rules:

*TNS Membership:* Neurology Residents and Fellows must be members of TNS (or submit an application)

*Registration:* All participants must register for the TNS 2024 Winter Conference by January 12, 2024.

### Posters should include:

- **Title:** Simple title representing the key element(s) of the study, in very large font
- **Authors:** Write authors full names with middle initials in large font. Indicate each author's highest degree (e.g., Ph.D., M.D.). A comma should be used to separate authors.
- **Affiliations:** Complete names and locations of the institutions where the work was done.
- **Main body:** Use large text and legible figures to describe the work. Use standard scientific outline with headings for Background, Methods, Results and Discussion/Conclusions.
- **References:** References should be cited parenthetically in the text by author and year of publication, for example (Fisher et al., 2011). Limit of 3 references per poster.
- One presentation per resident per competition

*TNS will print all posters at the cost of \$25 per entry to be collected when registering for the conference.*

Applications can be found on the **TNS Website**
